

XPC TOKEN

The XPC token is available in 3 formats

LITE, PREMIUM & INVEST

All token holders are entitled to Dividends from our Casino and Adventure games as well as ViRiDiForex.

The dividend is called Micro Payments and is given once a week.

The Micro payouts to the Token holders partially come from the House's share (Rake) of the casino games but also from advertising revenue, licensing and transaction fee from ViRiDiForex.

The Rake generates 6%
(4% Micro Payment and 2% administration)

Forex transaction generates 5%
(3% Micro Payment and 2% administration)

To guarantee that the value of an XPC token is always € 1 (minus a transaction fee) it can only be sold back to the system when someone when somebody puts in a buy order. This means that the value can never fall.

The XPC token is not a blockchain token and its been trading within the company. Hence we can guarantee its value.
